APPLICATION INSTRUCTIONS

- Please drive by the properties that you are interested in renting. Please do not disturb tenants or workers.
- 2) After seeing the properties, please fill out the rental application **COMPLETELY**. Incomplete applications will not be processed.
- 3) The fee is \$20.00 for every application submitted. Applications will not be processed until we have received this fee.
- 4) Each individual 18 or older must fill out separate applications. Please type or write legibly so we can process the application quickly.
- 5) Put the date that you are applying and the address of the property you are interested in on the top right corner of the application. Please list the properties of interest in order of priority.
- 6) Remember to include two landlords and their phone numbers. Friends, family, or verbal contracts are not considered valid landlords. You can list valid landlords on a separate piece of paper with your name and signature on it and submit it with your application.
- 7) You must include the phone number for your source of income.
- 8) You must answer the three "yes" or "no" questions at the bottom of the application.
- 9) SIGN the application.
- 10) When the application is completed, return it to our office at the address or fax number listed on the front of the application.

ADDITIONAL INFORMATION

- 1) After applications are submitted they are reviewed. We will contact those applicants who appear to be qualified to offer a showing of the property.
- 2) Once you have submitted an application it usually takes 2-3 days to determine if you are approved or disqualified. We do not accept co-signers for unacceptable credit reports.
- 3) Our income to rent ratio is 3 to 1. If the combined income of the occupants is less than 3 to 1 or the applicant lacks rental history, a co-signer is needed.
- 4) The co-signer should fill out a separate rental application. Have the co-signer write "Co-Signer" on the top, and list the applicants' names as Occupants.
- 5) If you are receiving income from sources other than employment, please provide copies with your rental application. (ie: school grants, unemployment insurance, SSI, student loan, etc.)
- 6) If you are self employed, please provide us with copies of page 1 of your federal tax returns for the last two years.
- 7) If you are receiving income from parents, they will have to fill out an application as well to become a co-signer.
- 8) If you have out of town employment, please let us know how you will be paying the rent while living here.
- 9) All Samoa residents are required to have renters insurance, which must include all pets as insured.
